

S3 Exams 2008

Instructions to Pupils

Overleaf you will see the full timetable for S3 exams. These are a very important test of your progress this year in your certificate classes. Note the dates carefully and plan your revision so that you are well prepared for them.

Please note the following points.

1. Unless you have an exam you should attend normal classes throughout the exam period.
2. Make sure you are on time for the start of each exam, in the right place and with the necessary equipment. Bags must be left in lockers.
3. On no account may you leave any exam early. When your exam is finished go back to normal classes.
4. During the exam, you must keep to the highest standards of behaviour. Invigilators are under instructions to notify the Head of Department of any pupil behaving inappropriately.
5. Learning Support will notify timings to candidates with extra time.
6. If you have two exams at the same time, see Mr Thomson immediately.
7. If you are absent for any reason, you must see the Head of Department concerned as soon as possible to arrange another time to sit the exam.

Good luck and do your best.

Mr Thomson
