

Watsonian Club of Hong Kong, Annual Report 2019-2020

Due to travel restrictions in China because of Coronavirus, the HK 7's tournament was cancelled this year and subsequently no annual dinner was arranged.

We do plan to hold our dinner on the weekend of the 2021 HK 7's tournament and should travel be available freely later this year, it is my intention that a small group of Hong Kong residents and Watsonian members may be available to continue our annual get togethers.
