

Watsonian Swimming Club Annual Report 2019-2020

WSC members have been enthusiastic users of both the Galleon pool and the Myreside pavilion and as such, our activities have been greatly reduced since 18 March 2020 due to Coronavirus and the pavilion fire. However, we patriotically held a whisky tasting jointly with Colinton Bowling Club on Friday 6 March, run by joint member, George Murray. For photographs of this, and other club events during the last year, go to our website at: <http://www.watsonianswimmingclub.co.uk/>

There have been no other events during the spring and summer of 2020 but we are delighted that swimming recommenced in September. Sadly, our long-time Social Convenor, Geoff Bulmer who had arranged many dinners and golf outings, died on 6 August.

Alan Masson, Hon. Secretary.
