The Holiday Club is based in the Lower Primary Hall, which is accessed by the door, to the right, of the wooden sailboat in the Lower Primary Playground. We ask that children do not bring **mobile phones or electronic devices** to Holiday Club. Parents wishing to contact their child should do so through the Club numbers **0131 446 6079** or **07858 427 875**. Children who do bring mobile devices will be asked to hand them to staff, who will ensure they are kept safe, until the end of the day.
